Senior Awards Program Monday, June 4: All seniors and their families are invited to attend the Senior Awards Program on Monday evening, **June 4, 7:00-8:30pm, in the CV auditorium.** A letter will be mailed home near the end of May to those seniors who will be called up on stage for an award. The awards presented at this event include community awards, locally-funded and some state-funded scholarships, academic awards, departmental awards, and school awards. We try to limit the awards to those that are not presented at another public event. Because some of the presenters drive from out-of-town to make the presentations, we ask that seniors, who receive the letter in late May, to let Mrs. Pliskin know if they are unable to attend.
