

Make a Memory Collage

Remember all the things that your senior has done? All the activities and events that kept you busy? All the photos and programs that you have collected over the years? Now is the time to bring all those memories together for you and your senior to enjoy! Collages of your senior's childhood are displayed at the party and then saved for the 10 year reunion.

Memory Collages are due May 20, 2014. If you miss the May deadline for school display, they can still be accepted for the party up until June 7th.

How to prepare your collage:

1. Gather a collection of photos of your senior. Find ones that illustrate the early years as well as this last year of high school. Be sure to have pictures that include your student with friends plus activities they have been involved in. You may even want to include programs, news articles, and tickets from important events. The best part about the collages will be the opportunity for your student and his/her classmates to reflect on their "history."
2. Arrange the materials horizontally on a sheet of 11" x 17" paper. You don't need to cut up your photos, just stick them to your base paper with a dab of adhesive. The items may overlap and may extend a bit beyond the edge of your paper (the extension will not be photocopied).
3. You may also choose to create your collage digitally in a 12" x 18" format using an online service or local retail store.
4. Prepare 1 or 2 collages. Families sometimes make one collage of their student's younger years and another of his/her time in high school or senior year, but it is fine to put all the photos for your student on one collage.
5. Color: Take your collage to your favorite print shop and make a color copy. Be sure to make extra copies to keep for your family and friends.
6. Please laminate the copy of your collage before turning it in.
7. Title the poster: Place your student's name on the front of the collage.
8. Provide ID: On the back, print your student's first and last name, phone number, school name, and graduation year. This is important for identification purposes.
9. Deliver your collage to your student's high school office by Monday, May 20, 2014.
10. We will arrange the display at the high school and for the party.
11. **THE COLLAGE WILL NOT BE RETURNED!** After the graduate all-night party, the collages will be stored for display at the ten-year reunion.
