

April 29 2024 - CVPO Business 4/29/2024

In Attendance: **Tze-Yiu Yong, Stephanie Haines, Melody Johnson, Aaron McKee**

The purpose of this meeting is to decide how the CVPO Board will allocate funds to help some of the school's programs. Principal Aaron McKee was in attendance to help us decide where the CVPO funds could go. The CVPO Board currently has about \$7,000 total available.

- Stephanie mentioned that an account was set up for Music and Arts to see if there is a discount for the Bass amp. She will get the access code so we can potentially get a discount.
- Mr. Moses gets some funding from Mr McKee so we're cutting down the budget for the grill to \$400.
- We will fully fund the Mosaic art project.
- We will not fund the picnic bench because Mr. McKee said the wood working students were going to be building it.
- We will fund to replace the classic library books with newer hardback books.
- The request for the school's folders was denied because they can be funded by the district.
- We will fund about 7-8 pieces of music and have Ms. Perkins about \$600, and can add more music purchases on a year by year basis.
- We will fully fund the Orchestra music request.
- We will fully fund the language books request.
- Total amount spent for this year is projected to be about \$2,500. (\$2492.25 to be exact)
- Tze will talk to Aaron and let him know what we have decided to fund.

These minutes were approved by the CVPO at the date below.
