**Meeting Minutes**  
**October 11, 2018**

Elections for the 2018-2019 school year CVPO officers will be held soon. Positions that are currently vacant are: Vice President, Treasurer, Events Coordinator. All offices will be open to a vote.

Meetings are now held on the second and fourth Thursday evening, 7:00 to 8:30 pm. It is hoped that more parents will be able to attend.

**Coffee with the Principal:**

Discussion was open and several topics were brought up.

Senator Wyden is holding a townhall meeting open to the public at CVHS on October 12, 2018.

Registration, which is done on site, and includes paying fees and picking up schedules, is being confused with pre-registration, which is done online before registration. The online pre-registration includes demographic information, emergency contacts, etc. The pre-registration should be done before the on site registration. Aaron is working on clarification.

Aaron reminded us to beware of burnout among our students.  
Peer tutors are available in most classes.

AVID discussion: All students can sign up for the AVID class, which is designed to prepare students for college and/or post-high school careers.

The calendar of alternating odd and even days can be confusing. It can be subscribed to on a mobile device as an RSS feed. Changing the schedule from 7 to 8 periods in a day eliminated a lot of scheduling conflicts.

Winter Festival will be a combined CHS and CVHS event, and will include more activities, such as games, as well as the dance. Protocols and behavior expectations will be clarified.

Senior seminar replaces the advisor class. It is intended to make sure students complete requirements needed to graduate.

There was no business meeting this evening
