•You should select courses based on graduation requirements and your post-secondary plan. If you plan to attend a 4-year university, check the entrance requirements! Many classes at CV help prepare you for both career and college. You are highly encouraged to enroll in at least one Career & Technical Education course.

CTE courses are offered in the following career areas:

● Pre-Engineering ● Design & Applied Arts ● Health Services ● Culinary Arts ● Video Production ●

•The courses taught and sections offered each year are determined by your forecasting selections. Please choose your classes wisely! **This is your only opportunity to select classes!**

•Please keep in mind that some classes you request may not be available, or may not fit into your schedule.

•Please sign up for eight credits. If you do not sign up for eight credits, it may be impossible to add them later.

ALTERNATES! It is important for you to list several courses you are willing to take if we are unable to fill your schedule with your first choices.
