

Super Simple Ways to Earn Funds for CVPO – 2019-20

The programs below allow you to raise funds for Crescent Valley Parent Organization's teacher grant program just by doing your regular shopping - at no additional cost to you! Please read on for details. Remember that anyone can earn for CVPO – pass this information along to family and friends! If you have any questions, please contact Rhonda Soulé at rhondajon@comcast.net.

eScrip is an organization which links the supporters of non-profits to various fundraising shopping opportunities. To get started, go to www.escrip.com, click on “Sign Up” and register - linking your account to Crescent Valley Parent Organization's group number #8561702 – and entering the credit and/or debit card(s) you use to shop. If you have previously registered at eScrip with a different group #, you may change it to or split it with CVPO. (Also - if you have registered before and haven't checked your account in awhile, please do so as it could have expired.) Once you are registered, there are four main ways for our supporters to earn:

MARKET OF CHOICE® - - MOC will donate a percentage of your purchases to CVPO automatically each time you shop using the card you have registered with eScrip. Register the card using the instructions above or from www.escrip.com click “Where to Earn”, “Find Merchants”, and “Sign Up” on the Market of Choice line.

You may also earn funds for the CVPO by shopping at the eScrip online mall. The mall is a link to the **regular websites of hundreds of online merchants** and also includes money-saving offers for these merchants. You simply have to access the merchant websites through the eScrip online mall page rather than going directly to the sites – it couldn't be easier to earn funds for the school! From the eScrip home page, click “Shop Online” to view the list of merchants and access the online mall!

Were/are you a big scrip supporter at your child's elementary school, and wish to continue with a more modern application? Download the free Benefit app from eScrip under “Where to Earn”, “Find Your Merchants” and purchase digital gift cards from hundreds of merchants. A percentage of each purchase will benefit CVPO!

Fans of Busick Court, Thai Orchid, and Pietro's Pizza in Salem can earn for CVPO by signing up for eScrip Dining from the “Where to Earn” page.

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. Simply go to smile.amazon.com each time you shop on Amazon. On your first visit you will be prompted to select a charitable organization – simply enter Crescent Valley Parent Organization, and make sure to use smile.amazon.com on all future visits!

To participate in Fred Meyer Community Rewards, go to www.fredmeyer.com/topic/community-rewards-4 and click “Re-enroll or link your Rewards Card now”. After registration, you will earn for the CVPO each time you shop at Fred Meyer with your rewards card. Please note that **Fred Meyer is requiring re-enrollment each year in June, so cards not re-registered by July 1 were dropped and must be enrolled again.**

First Alternative donates to schools in two ways: By allowing customers to “round-up” at check-out and donating the additional amount to a school; and by donating a percentage of your purchases to a school. For rounding up, just tell the cashier you wish to do so and to donate to Crescent Valley. For the percentage donation, owners may fill out a form to tie their ownership number to Crescent Valley (please note that the purchases will not be tracked to your ownership number for dividend reasons.) Non-owners may simply tell the cashier they wish to donate to Crescent Valley.

At check-out, just mention Crescent Valley and a percentage of your purchase will be donated to CVPO. Please note that this option cannot be used with a Max Perks card.

Clip the card below and present at check-out; that’s all there is to it!

Present this card at time of purchase
