Business Meeting

The meeting was spent reviewing the teacher grants proposals. The results are listed below.

Applied Technology request for 2 Canon AE Cameras. Used to teach film photography, and darkroom techniques. Digital photography is taught in the advanced class. Grant awarded: \$365.8.

Applied Technology request for a track saw for woodworking. This is a safer alternative for cutting up large sheets of plywood. Grant awarded: \$690.00

Language Arts: Over the ear headphones: used with Chromebooks to allow individual student and listening to audio books. Award: \$280.00

SPED/WINGS: Supplies for collecting recyclable beverage containers, goal is to teach students "soft skills", such as organization and money management. Award: \$150.00

Science and Engineering: Husqvarna chainsaw with safety equipment, Use to facilitate milling logs for woodworking. This will save money by processing donated logs for woodworking, and reduce the need to buy lumber. Award: \$1018.97

TOTAL AWARDED for the Spring 2019 grant cycle: \$2504.77.

Respectfully submitted by Barbara Ellis-Sugia, Secretary
